

READING REPORT FORM

Name: _____

Four Reading Reports are due throughout the semester. For your convenience the required reading assignments are listed below in their assigned order. Initial the appropriate blank if you have read everything listed for the reading report period. If you didn't read them all, **circle any assignment(s) you did NOT complete**. If you read part of an assignment, write in the page numbers or passages that you did **not read** (right side of form). Out of respect for God's creation the same form will be used for all four reports. (Ten bonus points for using one form.) **Note:** Bonus points for reading the NOAB notes are *only available if all other readings were completed for that report* (see syllabus #10).
